

ultramirinc.champs_mood.models

Class MyLocation

java.lang.Object

ultramirinc.champs_mood.models.MyLocation

```
public class MyLocation
extends java.lang.Object
```

Created by Etienne Berube on 2017-05-10. This class acts as an alternative to the LatLng object provided by Google. However, the LatLng object cannot be stored in the database. Thus, we created this object.

Field Summary

Fields
